

# REPORT ON PROJECTS BY THE ROTARY CLUB OF SINKOR

“Dear Felix and Maxwell,

The DG was very much impressed with your project as I said earlier. He took a guided tour of the whole facility and thanked the team for a job well done.

Please note that your project is one of his goal for this Rotary Year, Water and Sanitation.”

(eMail October 3<sup>rd</sup>, 2018 from RCS President Nancy Freeman to BTFS Switzerland)

The Immanuel Christian Academy water tower project is located on S.D. Cooper Road in the Kpelle Town Community. This project caters to the need of 300 + students at the school reigning from nursery/ Kindergarten and Junior High school. It also caters to the needs of approximately 1000 inhabitants during the rainy season and 1500 to 1800 during the dry season.
